

Fitting Guide for Ford Fiesta MK7

Mirror Indicator

You will have to remove the mirror cover and therefore mirror glass. Please see our other fitting guides on how to do this

There is no need to remove the mirror from your car

Don't forget to wear PPE

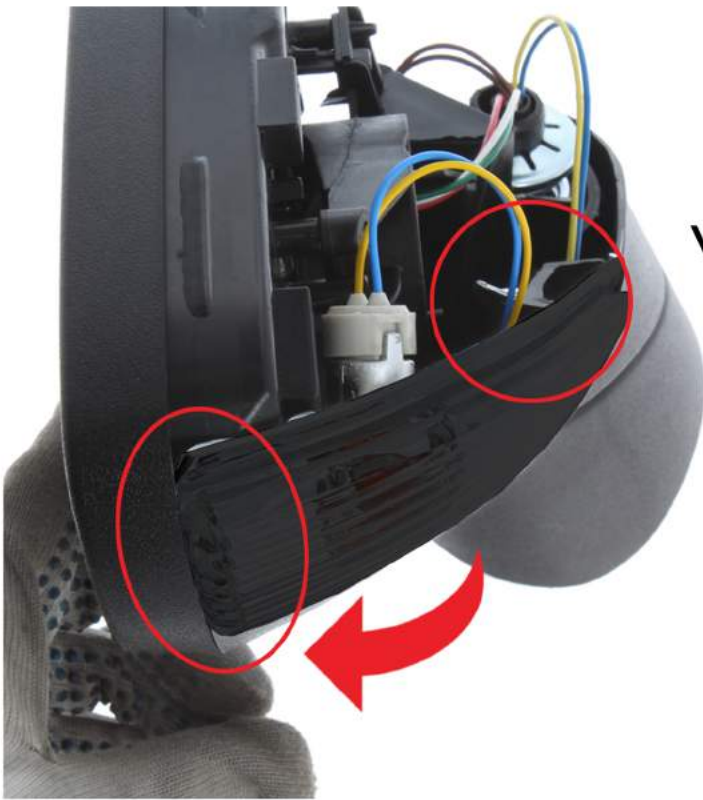

1. Once the mirror cover is removed, carefully pry the clip out of position and pull the indicator out

2. Unattach the mirror indicator connector

3. Reattach the new indicator connector

4. Make sure the side of the indicator is lined up with the side of the mirror unit and then the clip.

5. Press in firmly until it clicks

6. Replace the cover and wipe to get rid of any marks
