

# Fitting Guide for Ford Fiesta MK7

## Mirror Cover

You may have to remove the mirror glass in order to take the original cover off. See our fitting guide on how to do this

There is no need to remove the mirror from your car

Don't forget to wear PPE

1. Once the mirror glass is removed, carefully pry the clips out of position and pull the mirror cover off.

2. Match the clips up with the holes in the back of the mirror unit

3. Position the cover onto the mirror unit making sure to line up all of the clips

4. When all clips are lined up, push firmly until you hear a click

5. Wipe the cover to get rid of any marks and replace the mirror glass
