

Fitting Guide for Ford Fiesta MK8 Mirror Indicator

You will have to remove the mirror cover and therefore mirror glass. Please see our other fitting guides on how to do this.

There is no need to remove the mirror from your car.

Don't forget to wear PPE.

1. Once the mirror cover is removed, locate the screw and using a phillips screwdriver remove the screw.

2. Unattach the mirror indicator connector:

3. Reattach the new indicator connector:

4. Make sure the side of the new indicator is lined up with the side of the mirror unit and then screw back into place.

5. Refit the cover and mirror glass, wipe to get rid of any marks.
